Words of Wisdom from James and Joe at MediChoice Insurance Agency

Here at MediChoice Insurance Agency we wanted to send you a wow sheet which is a “at a glance” of the perks and important information about your plan. Remember we are in the office year-round for your customer service needs. If you have claim issues, questions, or concerns, please give **us a call 1st**.

Important dates:

Annual Election Period (AEP) is October 15th – Dec 7th

*Remember you are on a **supplement** plan and that means when you go to the doctor you always give them your **Medicare** card **1st** and your **Medica ID** card **2nd**. They must bill Medicare before Medica will pay on it*

Below is the info for 2022

Fitness: Silver Sneakers

Silver Sneakers is a health and fitness program designed for people with Medicare. It is included at no additional cost for most Medica Advantage members. You can use your BCBS ID card at any Silver Sneakers location. To find out more and what fitness centers participate you can go to www.Silversneakers.com or call **1-877-871-7053**.

Hearing: Epic Hearing

You can get hearing aid benefits through Epic Hearing. Your Medica plan does include discount prices for hearing aids. Call Epic Hearing at **1-866-956-5400** or go epichearing.com to learn more and schedule an appointment. See your plans summary of benefits to see what your benefits are.

In Network Doctors:

You can see any provider nationwide that accepts the Medicare assignment. The Medicare assignment is accepted nationwide by most providers. You can always call and check with us if you have questions.

Other Benefits: Health advocate and nurse line

You and your family have a place to turn for trusted advice and information when you need it most. Through health advocate nurse line, highly trained nurses are available to help answer your questions about symptoms, medications, and health conditions. Call **866-668-6548** or go online to members.healthadvocate.com/home

Travel: Coverage when you travel

Travel anywhere in the U.S. and get in-network benefits when you see a provider that accepts the Medicare assignment. No matter where you are emergency services are always covered. Some cost sharing may apply.

Medical Alert: Philips Lifeline

Philips Lifeline is committed to improving the quality of your life and your family's, while providing the always-on support you need to live independent lives. Lifeline is the #1 medical alert provider in North America and has saved more lives than any other. Lifeline offers the most widely adopted and proven fall detection in the U.S. today with over 200,000 falls detected automatically.

Members can choose from multiple service options at discounted prices. The level of discount available off retail on personal medical alert systems depends on the service option chosen.

Call **866-674-9900** or go to Offer.lifelinesys.com/medica/ for more info.

Vaccinations:

The only Vaccinations that are covered 100% by Medicare are the Flu and Pneumonia shots. Vaccines such as shingles, tetanus, whooping cough, etc. can be subject to deductibles and co-pays. These Vaccines work toward part D of Medicare and will be less expensive to get at a pharmacy vs a Doctor's office, because you would be responsible for the administration of them at a doctor's office. If you have questions, please call our office we are happy to help.

Vision: Lasik Vision Correction Savings

As a Medica member, you have access to discounts of up to 50% off Lasik vision correction through the Quallsight laser vision correction program. The program provides you with a national network of accredited and experienced Lasik surgeons to choose from. Call **877-298-2010** or go to Quallsight.com/-medica for more information.
