Don't forget Annual Election Period is Oct 15th-Dec 7th, during that time you can make changes to your plans for the following year. Please watch for letters and emails from us regarding this period starting in September. Also, at that time your insurance company will be sending your next year's information.

These Vaccines work toward part D of Medicare and will be less expensive to get at a pharmacy vs a Doctor's office, because you would be responsible for the administration of them at a doctor's office. If you have questions, please call our office we are happy to help.
