

MediChoice Insurance Agency's Roadmap to 2024 Annual Enrollment Period (AEP)!

➔ 1. START – September

Now is the time when the mail and advertising start. Do not worry! We are here to help you through the process and make it EASY for you.

Watch out for your Annual Notice of Change (ANOC).

This is a particularly important document from your insurance company. You will receive this mailer at the end of September. It will list **ALL** the changes in detail on your plan for 2024.

Remember if a benefit on your plan does not change it will not be listed in the ANOC.

➔ 2. GET READY – September – October 14th

1. **Read your ANOC** so you know what is changing on your plan. Are you happy with the changes?
2. Towards the end of September keep your eyes open for our second postcard mailer & return the tear off postcard to us. Options on the postcard include: 1. No Change 2. I have questions/ want to talk about my plan 3. I need to make a change.
3. Contact us by phone or email.
